

## **Brief Curriculum Vitae**

**Family Name:** Kelekis  
**First Name:** Alexios\_Chrysostomos

**Address:** Attiko University Hospital, Imaging Department  
Rimini 1, 124 62 Athens, Greece

**Tel:** +30 210 58 31 812  
**Fax:** +30 210 77 50 875  
**Email:** akelekis@med.uoa.gr

**Date of Birth:** 3/9/1971  
**Place of Birth:** Psychiko, Attiki  
**Nationality:** Greek

**High School:** Athens College "Apolytirion"  
Athens, 1989

**University Degrees:**

**Medical Degree:** Medical School of Athens  
**Date:** Athens, 30-7-96  
**Grade:** "Very Good"  
**Ph D:** University of Athens on the subject: "Application for the transfer of data and images at the 2<sup>nd</sup> Radiology Dpt of the University of Athens "

**Specialty:**

10-2-2003 Radiology, Prefecture of Athens, Greece  
11-7-2003 Radiodiagnostic, FMH, Bern, Switzerland  
11-2-2011 European Board of Interventional Radiology (EBIR)  
07-01-2013 Interventional Radiology (*sub-specialty established in 2013*),  
Greek Ministry of Health  
2015 Diploma on MSK Radiology, ESSR

**Honorary Titles:** Fellow of CIRSE (2009)  
EBIR (2011)  
Fellow of SIR (2014)

**Positions:**

- 12/2014- Associate Professor of Diagnostic and Interventional Musculoskeletal Radiology at the 2nd Radiology Dpt of the University of Athens
- 6/2009-12/2014 Assistant Professor of Diagnostic and Interventional Musculoskeletal Radiology at the 2nd Radiology Dpt of the University of Athens
- 7/2004-6/2009 Lecturer on Diagnostic and Interventional Musculoskeletal Radiology at the 2<sup>nd</sup> Radiology Dpt of the University of Athens
- 5/2003-7/2004 Consultant on Radiology and Interventional Radiology at the 2<sup>nd</sup> Radiology Dpt of the University of Athens.
- 10/2000-10/2002 Intern at the Radiology Department of the Geneva University Hospital of Geneva, Switzerland (Département de Radiodiagnostique et Radiologie Interventionelle)  
Hôpital Cantonal Universitaire de Genève  
Professor: F. TERRIER
- 10/1999-10/2000 Intern at the Radiology Dpt. of the “Free University” of Brussels, Belgium (Service d'Imagerie Médicale, Hôpital Erasme) Université Libre de Bruxelles, Belgique  
Professor: J.STRUYVEN
- 10/1998-10/1999 Intern at the University Hospital, Liege, Belgium (Service d'Imagerie Médicale, Hôpital Universitaire, Université de Liège)  
Professor: R.F.DONDELINGER
- 09/1997-08/1998 Intern at the Radiology Dpt. of the Naval Hospital of Athens (During Military Service)  
Director: N.Goudanis, Captain
- 01/1997-06/1997 Intern at the Internal Medicine Dpt (during Military Service) Salamina Navy Hospital

**Foreign Languages:**

English (Proficiency)  
French (Sorbonne I)

## **Research Grants:**

5/1999-4/2001	Researcher for CCET-EPET II Informatics «System Development of imaging simulation and design for therapeutic applications in radio-oncology» (GALINOS).
11/2001-3/2003	Researcher for Minimally Invasive local treatment of Malignant Tumors (CO-ME), Geneva, Switzerland.
12/2003-	Co-Investigator at the clinical project Prospective Randomized Trial between Kyphoplasty and Vertebroplasty (E.P.E.A.E.K-Pythagoras I)
13-14/10/2005	Kyphoplasty Cadaver Workshop, Evaluation of the Improvements of the SPIDER system, Paris, France
2007-2008	<u>Co-Investigator:</u> Histopathologic study of the epidural space post epidural infusion of drugs, under fluoroscopic guidance, in minipigs. Biomedical Research Foundation, Academy of Athens.
2013-	<u>Principal Investigator:</u> Prospective pilot non randomized single arm multicenter clinical study using DiscCell injectable radio opaque nucleus augmentation for treatment of Discogenic Low Back Pain, associated with DDD. Eugenideion Hospital, Radiology Research Unit
2015-	<u>Principal Investigator:</u> Post Market non inferiority study comparing triosection to discectomy for lumbar disc herniation. Attikon University Hospital, 2 <sup>nd</sup> Radiology Dpt

## **Teaching Activities:**

### A. Undergraduate Courses of the 2<sup>nd</sup> Radiology Dpt. of the University of Athens:

Since 2003	Musculoskeletal Imaging
Since 2004	Radioanatomy-Spine
Since 2004	Neuroradiology-Spine, Spinal Cord
Since 2006	Interventional Radiology- Spine Procedures, Interventional MRI

### B. Postgraduate Courses:

1. Seminars, Total Number (1999- ):	25
2. Teaching in Postgraduate Course in “Interventional Radiology”, since 2004	
3. Supervisor in PhD Students:	7
4. Member of Examination Committee of PhDs:	18

### **Published Chapters in Books:**

2006	Medical Radiology-Diagnostic Imaging: List of Top 10 Injuries, Springer
2007	Clinical Practice In Radiology- Vertebroplasty, CIRSE
2008	Image-Guided Interventions- Bone Biopsy and RFA-, Mauro et Al (Elsevier)

### **Publications:**

<b>TOTAL NUMBER IN PubMed:</b>	<b>71</b>
<b>Number of Citations in SCOPUS:</b>	<b>1150</b>
<b>Published Abstracts:</b>	<b>160</b>

<b><u>Invited Lectures:</u></b>	<b>150</b>
---------------------------------	------------

### **Editorial Responsibilities**

2006-	Reviewer European Radiology, CardioVascular and Interventional Radiology, Journal of Surgical Oncology, JVIR, Spine Journal
2006-	Editorial Board of Spinal News

### **Society Member**

Greek Society of Radiology since 1997  
Société Royale Belge de Radiologie, since 1998  
Radiological Society of North America since 1999  
Société Suisse de Radiologie, since 2001  
Society of Interventional Radiology since 2004  
Cardiovascular and Interventional Society of Europe since 2000
